These Additional Supplementary Regulations (ASRs) must be read in conjunction with the 2024 HERO Standard Regulations (HSRs). The article numbers are those of the HSRs. Competitors must study the HSRs as well as these ASRs.

HERO Challenge Two will be run by HERO-ERA under a Clubman Historic Road Rally Permit (no. **TBA**) issued by Motorsport UK and is open only to members of the promoting club in compliance with the Regulations of Motorsport UK in compliance with the FIVA International Sport Code; the HSRs; these ASRs; and further Bulletins for the event, which may amend these ASRs and the HSRs.

IMPORTANT NOTE: All motor sport is potentially dangerous. The onus is on competitors to drive carefully and safely at all times. The Organisers accept no responsibility whatsoever for any accident or injury befalling competitors, and do not undertake to provide rescue or assistance of any kind. All competitors will be required to sign the indemnity at Signing On.

These ASR's MUST be read in conjunction with the HERO Standard Regulations which contain all the necessary information. The 2024 version will be found on the Event page from January 2024.

Article 3: Eligible Vehicles

Please note that in some cases it will be necessary for us to apply for waivers if your car is registered after 1st January 1968.

In order that we may apply for the waivers on your behalf, could you please supply the following information:

- Three photos – one general exterior view, one internal view and one of the engine bay.
- A copy of the vehicle registration document. If your vehicle has been imported it will be necessary for you to provide a copy of documentation that confirms the original build date of the car.

Once we have received the above, we will be able to confirm whether or not additional photos or other information is required before we are able to process the application for waivers.

Article 3.2: Classes

Competing vehicles will be divided into categories. These categories may then be split into classes to provide the best competition between crews and may include criteria for body style, cubic capacity and design age.

The provisional list of category and classes is as follows:

Category 1 – Cars of a specification valid before 1st January 1968

Category 2 – Cars of a specification valid between 1st January 1968 and 31st December 1974

Category 3 – Cars of a specification valid between 1st January 1975 and 31st December 1981

Category 4a – Cars of a specification valid between 1st January 1982 and 31st December 1985

Category 4b - Cars of a specification valid between 1st January 1986 and 31st December 1990

Category 5 – Masters – 10 Masters Entries will be accepted once the Entry list opens any further Masters Entries will only be accepted 28 days prior to the event, and only when entries are still available not taken up by Non Masters Crews.

Categories may be merged if there are insufficient cars entered in any one category or class.

All vehicles must be taxed and insured for the public highway. They must further comply with MSUK Technical Regulations and in particular with J5 and R19.1.

The Definition of Master's Class – A Master will be defined by a crew member who has finished first overall on three or more HERO-ERA Green or Blue standard events or, in the top three of a Red or Black event in the preceding five years. This is extended to include finishing positions in non-overall award eligible cars on certain other HERO-ERA events. In addition, crew members who have received a Le Jog Gold medal or have finished first overall in a HRCR National B/Inter Club Road Rally in the preceding three years will also be classified as Masters.

Classification relates to the seat in which an individual has entered and the status of a crew at the beginning of a season will remain in force for the duration of that season irrespective of their results during the year.

If both entrants are defined as Masters they will be designated in the Masters Class on that event and cannot compete for Overall or Class Awards. A Master Driver or Navigator can compete with a non-master Navigator or Driver and will be eligible for overall awards but Masters will not be eligible for points in the Hero Challenge Championship or for Clock Watcher or Test Pilot Awards if earned in the seat for which they are categorised as a Master.

The type and category of car entered has no bearing on the crew's status as the definition of a Master is purely based upon their experience and results.

Article 5.2 – Eligible Competitors – Licences

For UK Residents - As for all events run in the UK by HERO-ERA, all competitors whether driver or a navigator are required to have a current Motorsport UK Competition Licence (or a competition licence issued by your country's governing body). This licence is free of charge and can be obtained by going online to the Motorsport UK site and making a formal application. If you held a 2023 licence you will need to renew it for 2024.

Should you require any assistance regarding this, then please do not hesitate to contact the office who will give you any guidance they can.

For Non-UK Residents – Any Non-UK resident that does not hold a competition licence issued by the motorsport governing body of their native country can apply for a Motorsport UK RS Clubman Licence. This exercise must be completed before the event so that competitors can bring the UK licence to the start venue.

If a competitor has an extension to their existing policy, they will be required to sign a declaration that the cover complies with the requirements of the Road Traffic Act.
